

WESTMIX CYCLO-DRIVE MIXER

Westmix 3.5CF (100L) Electric Front Tip Cyclo-Drive Cement Mixer comes with a powder coated steel design, 1HP electric motor, flat free wheels and removable bowl.

The Cyclo-drive gearbox and chain design reduces friction, eccentric bearing set and discs which rotate inside an offset roller housing, for longevity and continued efficiency. Ideal for trades in commercial applications.

Features:

- ✓ Heavy duty square tube frame
- ✓ Front tip action
- ✓ Powder coated bowl and frame for strength & longevity
- ✓ Puncture proof wheels
- ✓ Electric 1hp, 1440RPM motor
- ✓ 3.5 cubic feet (100L) capacity
- ✓ Cyclo drive gearbox & worm shaft
